

531—18.11(99G) Board approval of games. The lottery shall provide board members with a written description of each specific scratch game. The chairperson or a quorum of the board may call a special meeting to review the instant game selection. The board shall not contest the selection of a scratch game more than five days after receiving written notice of the selection.

This rule is intended to implement Iowa Code Supplement sections 99G.9(3) and 99G.21.
